ALPHA AND OMEGA

2 Timothy 2:15 reminds us to “study to show ourselves approved unto God a workman that doesn’t need to be ashamed.” A few Wednesdays ago I asked some questions about some things that we discussed during our study in Revelation. I was a bit taken aback by the amount of people who did not seem to know some of the things that we were talking about. I felt it necessary to revisit some of the things that we discussed. Tonight I would like to have us discuss some of the things that we’ve learned thus far in our study of the book of Revelation. I would like you to answer the questions with these things in mind:

1. How does the chapter/verse relate to the overall nature of God? (Loving, just, etc.)
2. What does the symbolism refer to: (i.e. candlesticks, seals, trumpets)
3. How does the plan of God work in the midst of adversity (give examples)

Section 1 The Seven Churches: List them and discuss specific characteristics and applications to today.

Section 2 The Seven Seals

Section 3 The Seven Trumpets (First Five)

Discuss in your small groups and then discuss in the larger group.
